VIO M Pro 25W

Color Options:

Applications Area:

Office and Working Areas,
Education, Health & Sports Centers
Shopping Malls and Showrooms,
Retail Stores & Markets,
Hotel, Restaurant & Entertainment
Centers

Technical Specification

PRODUCT NAME	VIO M PRO 25W
LED BRAND	LUMILEDS
CRI	>80
CCT	3000K & 4000K
LED QUANTITY	1
LED LUMEN	3270
FIXTURE LUMEN	2714
ANGLE	28°/36°
INPUT VOLTAGE	220-240V AC
PF	>0,90
MAINS POWER	25W ±%5
FIXTURE EFFICIENCY	109 lm/W
IP RATING	IP20
PROTECTION CLASS	CLASS II
PRODUCT LIFE SPAN	≥55.000 HOURS
OPERATING TEMPERATURE (°C)	-20° +40°
BODY MATERIAL	ALUMINIUM
OPTICAL COVER	EXTRA CLEAR TEMPERED GLASS

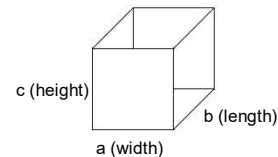

Consult our technical department at + 35°C and above ambient temperatures

Limas® branded LED track lights provided by Lightmaster® lighting solutions offer elegant and efficient lighting options in stores. Decorative track lights, show the the products in textile, patisseries, fish, vegetables, cosmetics and meat shops in the color and visibility as they are supposed to be shown with professional optical options and light source characteristics. We know that light is able to give the soul to the atmosphere and influence people's mood in the shopping areas. We also know how to create the required atmosphere in different shopping and exhibition environments.

- 25W total power consumption
- 2714 lm fixture lumen output
- 109 lm/W fixture efficiency
- IP20 grade protection class
- Over 55.000 hours product life according to LM80 and TM21 standard
- Wide range custom solutions with special CCT and individual color based CRI specifications for special applications including but not limited to textile, patisseries, fish, vegetables, cosmetics and meat shops
- Low power consumption, high efficiency
- Perfect cooling with specially designed cooler for heat dissipation
- Multiple body color options
- Electrostatic powder coating
- High quality connection parts
- Different optical solutions
- Extra light output due to high efficiency reflector
- Color temperature consistency within 3-step Mac Adam
- Different color options (3000K - 4000K - 5000K)
- Measurements according to EN 60598-1 and related sub standards
- Photometric measurements according to IESNA-LM-79-08 standard

Optional

- Sensor, dimming, wireless connection features
- 1-10V, DALI automation integration
- Emergency mode

PRODUCT NET WEIGHT	920gr
BOX DIMENSIONS (a x b x c)	280X230X120mm
BOX WEIGHT	1080gr
PRODUCT QUANTITY (per box)	1

When the product accessories changes, there may be a difference of ± 200 gr. in weight
